

# Registering for Massad Ayoob Group Classes

PLEASE READ THE FOLLOWING REGISTRATION INFORMATION CAREFULLY

Pre-registration is necessary for all Massad Ayoob Group (MAG) Classes.

To enroll in a Massad Ayoob Group (MAG) course, please include the following:

1. Print out and complete the included Registration Form (page 2) and send it to the group hosting the particular class. That contact will be found at the MAG website's SCHEDULE page: <http://massadayoobgroup.com/schedule>. Please do not send registrations directly to MAG.
2. Due to the nature of our instruction, it is necessary for you to provide the group hosting the particular class with one or more of the following:
  - Current State Issued Permit to carry a concealed handgun
  - Current Federal Firearms License (FFL)
  - Current FOID Card (Illinois Residents Only)
  - Current Police or Military ID
  - Other current proof of clean criminal record. Most sheriffs' departments will run these for you at a nominal fee, done routinely in many occupations.
3. Full payment or deposit for class. Our courses fill rapidly, so please register as early as you are able. We will accept a 50% deposit to hold your place in a class, the remainder is payable on or before the first day of class. Cancellation must be 30 days prior to the first day of class to qualify for a refund.

Graduates of a given class may attend the same class again for % price. These refresher students may also have an opportunity to work on the firing line with the staff instructors.

All correspondence will be done by E-mail. If you do not have an E-mail address, then please let the host know so that other arrangements can be made. All information about lodging, equipment lists, and directions will be on the website or within this document. If you need more information or have any questions, the please contact the group hosting the class or send an E-mail message to: [mas@massadayoob.com](mailto:mas@massadayoob.com).

# MAG-40 Firearm, Ammunition & Other Equipment Suggestions

Bridgeville, Delaware

August 4-7 2016

## • MAG-40 “Armed Citizen’s Rules of Engagement and Live Fire Training”

- **Handgun:** good condition handgun with which you are familiar in a modern defensive caliber (normally minimum .38 Special for Revolvers and 9mm Luger for Semi-Automatics).
- **Magazines:** minimum of three (3) magazines for Semi-Automatics or three (3) speed-loaders for Revolvers, plus a belt carrier for the extra magazines or speed-loaders (more than 3 are strongly advised).
- **Holster:** a good condition, quality leather or Kydex holster that is designed specifically for the handgun you plan to use in class; generally a strong side, belt-slide style concealment holster that would be hidden by a light covering garment (avoid fabric “soft” holsters, pocket holsters, cross-draw holsters, and “deep cover” holsters; please contact MAG ahead of time if you are considering use of a shoulder holster). Leather holsters are strongly advised.
- **Belt:** a good condition, quality heavy duty leather belt designed for the carry of a holstered handgun and accessories. Must provide enough adjustment range for equipment carried.
- **Ammunition:** a minimum of 500 rounds of practice ammunition (we recommend that up to 1,000 rounds of practice ammunition be brought); factory new ammo is very strongly advised.

## • Additional General Items for Any MAG Training Session

- All pre-class study materials that may be provided by MAG. Read these in advance!
- Note taking materials (spiral notebook, pocket-sized notepad, several pens or pencils). MAG does not provide facilities to plug in PCs if you bring one, so plan on taking paper notes.
- Eye protection (shooting glasses and ANSI safety spec Rx glasses); Sunglasses may prove very useful, but they must also meet ANSI safety protection spec’s (the range faces North).
- Hearing protection (earmuff style recommended); both Earmuffs and Ear Plugs for Rifle.
- Brimmed, baseball-style cap (keeps hot, sharp ejected brass from hitting your face).
- Flashlight; tactical style flashlight with push-button switch & extra batteries, bulbs.
- Comfortable, sturdy clothing and footwear (the range terrain is mostly sand with gravel).
- Rainwear plus a light jacket and sweater or sweatshirt (mornings can be cold).
- Firearm cleaning supplies (firearms should be cleaned daily after class).
- A folding chair or camp stool (a small, waterproof ground cloth can be useful, too).
- Personal items (i.e., medications, sunscreen lotion, insect repellent, adhesive bandages, toilet paper, pre-moistened disposable hand/face wipes, etc.).
- WATER (lots and lots of water...stay hydrated to avoid fatigue and dehydration).
- LUNCH (MAG does not provide food or snacks. Bring a lunch and any snacks daily).

Limited quantities of bottled drinking water will be available to the class participants.

**FYI, MAG does provide Unisex portable, restroom toilet and hand-washing facilities, but personal hand sanitizer and/or disposable washcloths are often very useful and desired. We strongly recommend that you have four (4) days’ worth with you.**

**REGISTRATION DEADLINE: Friday, July 1, 2016\*\***

(After Friday, July 1, 2016 registrations only accepted on a space-available, payment-in-full, no refund basis)

## **MAG-40 Hotel & Campground Suggestions**

**Bridgeville, Delaware  
August 4-7, 2016**

Because Delaware's beaches are a summer resort area, and summer baseball tournaments are popular in the area, it is highly recommended that accommodations be booked in advance. It may be necessary to consider Milford, DE; Harrington, DE; Georgetown, DE; or Dover, DE – but the closest option is Seaford, DE.

This is a list of motels in Seaford, Delaware, which is 7 miles south of the Rifle Range on U.S. Route 13.

# MAG-40 Classroom & Shooting Range Location

Bridgeville, DE  
August 4-7, 2016

- **Training Session Location**

The classroom and shooting range are co-located in south central Delaware, at Bridgeville Rifle and Pistol Club.

10409 Rifle Range Rd, Bridgeville, DE 19933

- **Class Hours**

The first day of class will start at 8:30AM EDT and run until 7:00PM. Class starting time for days two through four will be determined by vote amongst the participants. There will be a lunch break, as well as frequent refreshment breaks. Mas frequently prefers a 'working lunch' and students are encouraged to consider bringing lunch to the class.

Please note that MAG-40 consists of a total of 40 hours combined lecture and range time. The 40-hour requirement must be met over the four (4) days' of class.
